

Generating Sets equipped by AVR* usefull for electronic loads

Petrol generating sets OPEN series

Singlephase version
4,5 kW cosφ 1
PN45-MH AVR

Singlephase version
6 kW cosφ 1
PN80-MH AVR

Threephase version
7,5 KVA cosφ 0,8
PN85-MTH AVR

Highly suggested for domestic and professional use by high sensitive load:

Inverter welding,
Electrical tools by electronic card, storage batteries,
TV by plasma, Computer,
Last generation boilers, telephone exchange, anti-theft, UPS, HI-FI, ecc.

Diesel generating sets BOXER D series

Singlephase version
6 kW cosφ 1
B7000-DE AVR

Singlephase version
10 kW cosφ 1
B12000-DE AVR

Threephase version
14 KVA cosφ 0,8
B14000-TDE AVR

POWERED BY
HONDA

Petrol generating sets BOXER P series

Singlephase version
10 kW cosφ 1
12000-MHE AVR

Threephase version
12 KVA cosφ 0,8
14000-MTHE AVR

Petrol generating sets LUX series

Singlephase version
6 kW cosφ 1
L80-MHE AVR

* AVR = integrated voltage stabilizer within 1%.

Generating sets equipped by AVR* usefull for electronic loads

Sound proofed petrol generating sets SILENST STAR MP series

Threephase version
7 KVA cosφ 0,8
7500-TSHE AVR

Singlephase version
4,5 kW cosφ 1
4200-SHE AVR

Singlephase version
6 kW cosφ 1
7000-SHE AVR

SILENST STAR MP

Highly suggested for domestic and professional use by high sensitive load:

Inverter welding,
Electrical tools by electronic card, storage batteries,
TV by plasma, Computer,
Last generation boilers, telephone exchange, anti-theft, UPS, HI-FI, ecc.

Sound proofed Diesel generating sets

SILENT-E TMD series

Singlephase version
10 kW cosφ 1
SE12000-DSE AVR

Threephase version
12,5 KVA cosφ 0,8
SE12000-TDSE AVR

POWERED BY
HONDA

Sound proofed Diesel generating sets

SILENT PRO series

Singlephase version
4.6 kW cosφ 1
SP5000-DSE AVR

Singlephase version
6,4 kW cosφ 1
SP7500-DSE AVR

Threephase version
6,4 KVA cosφ 0,8
SP7500-TDSE AVR

Sound proofed petrol generating sets

SILENT-E TMP series

Singlephase version
10 kW cosφ 1
SE12000-MHE AVR

Threephase version
12 KVA cosφ 0,8
SE12000-MTHE AVR

* AVR = integrated Voltage stabilizer within 1%.
